

A colorful illustration of the European continent. The landmass is green with blue outlines for the coastlines. Inside the continent, there are several iconic landmarks: the Eiffel Tower in the northwest, Big Ben in the center, and a red-roofed castle in the northeast. Various animals are scattered across the map, including a red and orange bird perched on a branch, a tiger's face, a fox, a rhinoceros, a lion, a zebra, and a giraffe. There are also stylized trees and a small body of water in the south.

EUROPE

A colorful illustration of the African continent. The landmass is yellow with blue outlines for the coastlines. It features several animals: a grey elephant, a zebra, a lion, a giraffe, a green crocodile, and a purple hippopotamus. There are also palm trees, a cactus, and a small island with a palm tree and cactus in the southeast. In the background, there are pyramids. The word 'AFRIQUE' is written across the middle of the continent.

AFRIQUE
